To: All Customers

Date: March 14, 2006

From: Ha Manh Nguyen / QA Manager

Subject: RoHS Declaration Sheet

The Cut Cores and Tape Wound Cores supplied by the Magnetic Metals Corporation Anaheim division do not contain the substances called out in the RoHS Directive for banned materials. These materials include:

- Cadmium (Cd)
- Mercury (Hg)
- Lead (Pb)
- Hexavalent Chromium / Chromium VI (Cr, Hexavalent Chromium)
- Polybrominated Biphenyls (PBBs)
- Polybrominated Diphenyl Ethers (PBDEs)

If there are any further questions or clarifications, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "H. Nguyen", with a long horizontal flourish extending to the right.

Ha Manh Nguyen
QA Manager
Magnetic Metals Corporation / Western Division
